

June 2017

Dear Missionary Partnership Network friends,

Greetings from Patti and Tim Long! And many thanks for your partnership with us as we continue in ministry with the churches of Baja California México.

Your giving toward our salary support and in specific ways such as the Mexicali Seminary Scholarships and the STEP scholarships for the Tijuana school where Patti teaches makes what we do possible. We also hope to touch base personally with many of you during the next twelve months as this summer we begin our year of US assignment. (Our contact: 619-395-1556, tlong16168@aol.com)

Enjoy the above wall mural from Emmanuel Baptist in Tijuana, painted from drawings of Haitian refugee children, youth and adults. We are told that the church on top of the hill represents Emmanuel, placed there to show how it has become a light that cannot be overlooked or covered up.
