

Advent Greetings from Patti and Tim Long

To our Missionary Partner Network:

It is that time between Thanksgiving and Advent – looking to the past in gratitude and with joyful expectation for that to come.

We are in the middle of our US/PR Assignment year when we hope to make personal visits with as many as possible of our Missionary Partner Network. It has been good to see so many of you in the past weeks and look forward to the upcoming trips.

As always what a joy it is to be able to spend time with the growing tribe of grandkids.

We are now in our 34th year as Global Servants with International Ministries and hope to continue in ministry for one more term of service.

Your support through prayer and financial gifts will make that possible. *Gracias.*

*Wishing you a greater measure of the wonder and truth of Immanuel:
God with Us - Dios con Nosotros - Bondye avek nou*
