Greetings from the South America Mission Home Office!

Thank you for your interest in hearing more about how the Lord is leading me in missions with South America Mission (SAM)!

Since returning from Bolivia in 2013, I have been serving at the SAM home office in the area of recruitment as a Missions Coach, primarily for the school where I served (The Santa Cruz Christian Learning Center). This has been a great way to continue in missions and now God is moving me into a new season—equipping missionaries and churches to engage in local and global cross-cultural ministry through a new role in worship leading and training!

In addition to my position in the Home Office, I have had an opportunity to volunteer with an Intercultural Communications Course (ICC) that provides pre-field training for missionaries through the JAARS Center (a Wycliffe training center in Waxhaw, NC). ICC equips missionaries with strategies for how to have longevity and a sustainable relationship with the Lord while on the mission field. SAM has been sending longer term missionaries through ICC. It's been awesome to see how God has used my story. There is also a developing ministry through JAARS called SRV (Spiritual and Relational Vitality team) that seeks to equip mission teams and churches to engage in global mission trips and serve local refugee communities here in the Charlotte, NC area.

As a SAM missionary, I will be assigned to serve at the JAARS Center to engage in these ministries full time. This new role will require me to be on full missionary support.

I am looking at building a monthly support team. **I will need to reach a support goal of \$3,410/month** to cover health insurance, retirement, salary, ministry costs, and funds to travel for possible short-term opportunities to lead worship. I will only be able to start full time at JAARS when I have met this support goal. Your giving will mean the investment in lives throughout the world as I help to equip and train missionaries for long term sustainable ministry in a variety of cultural contexts. I would like to invite you to be a part of this work in God's Kingdom! Would you prayerfully consider making a monthly investment in this ministry? **Would you be able to commit to giving \$50 or \$100 per month to launch me into being full time at the JAARS Center beginning this January?**
