### ¡Feliz Día de Arequipa!

Today, August 15th, Arequipa is celebrating their independence day! I am so thankful to the Lord for bringing me here to serve in Arequipa, Peru.

Michael and I are **so thankful** to have been able to meet many of you during our visit in the States and are looking forward to being able to be with you again. Know that **you are in our prayers** and **our hearts are full of gratitude** that you are on this journey with us!

## Community Outreach in Arequipa, Peru

---

Michael and I are involved in a Community Outreach here in Arequipa, Peru. Throughout the year we have been leading bimonthly visits to a community which sits on the outskirts of the city.

The community, Los Rosales, is hungry to learn more about God and every time we visit, we are excited to see God move in their hearts. We are excited for how God will use this ministry in the future and are praying that God moves mightily in the community.

One of Michael and I's passion we share is serving those in need, sharing the Good News we have in Christ with others, and reaching out to serve those in the communities of Arequipa. Please pray with us as we follow the Lord's leading in how He would want to use us to make an impact for the Kingdom of God here in Peru.
